Dear Parent / Guardian

### School Meals & Parent Pay

Since July, the school has been forced to chase parents with any school meal / Parent Pay debts. The school was notified on 13/09/17 that the till system in the kitchen will not allow a 'Lend' facility for school meals (provision of meals without sufficient funds) from Monday September 18<sup>th</sup> 2017. This means that any Parent Pay / pupil accounts with insufficient funds will not be allowed a meal or individual purchases. Please ensure that there is a minimum of £2.25 (Primary) and £2.45 (Secondary) daily available on your son/daughters Parent Pay account and ensure that the account stays in a **POSITIVE** balance. If you are unable to pay in advance for meals, please can you ensure that your son/daughter brings a packed lunch daily. Pupils will be refused meals from the kitchen as from Monday 18/09/17 if there is insufficient funds on their accounts.

Your cooperation will be much appreciated
